Valued Business Owner and Community Member,

Do you remember the first time you ever saw fireworks? I do. I covered my ears at first, but I soon dropped my hands in wonder and awe at the dazzling colors, larger-than-life shapes, and bombastic sounds created by these lights in the sky.

I spent my teen years watching the fireworks with my friends, looking for classmates I hadn't seen since school let out. Everyone was there on the lawn, reconnecting, sharing their summer experiences, and bemoaning the idea of going back to school. It was always such a magical night that I didn't want to end, and I know that my experience was not unique—this event created childhood memories for so many in our community.

Now, I feel privileged, as president of the North Canton Jaycees, to provide these experiences to the children of North Canton and its surrounding communities. I want to instill the wonder, joy, and anticipation that so many—including myself—experienced as children.

Each year, we ask businesses to help us provide the best celebration and experience possible for the community. We not only put on a top-notch fireworks display, but we also provide entertainment that lasts all evening, which includes a popular local band and an array of food vendors. All of which is aimed at hyping everyone's excitement for our main event—the grand fireworks display just after dark.

Becoming a sponsor of the North Canton Jaycees Celebration in the Park means you become an important part of this community tradition. Please take a look at the enclosed sponsorship package and consider a donation to this most worthy event. We offer packages to fit every budget. Please note that several of them include your participation in our community parade to be held earlier in the morning on July 4.

We hope you can share in this experience with us and become involved in the rich history of this event.

Sincerely,

Colin Riley
2017 North Canton Jaycees President
