## 67 Alaska

Very pale with a medium body and a mild but assertive flavor, noble pedigree German hops round out the aroma and malt sweetness. **Drinks like a craft version of an American lager.**

23 IBU | 5.2% ABV | \$4.00

## Tanglefoot IPA

Our homage to one of the fabled magical ales possessed by King Arthur's father to 'befuddle the mind and tangle the feet' of his enemies. Dry hopped with Mosaic, this IPA is full bodied with a strong citrus presence.

84 IBU | 6.3% ABV | \$4.00
